Dear Dr. Quisenberry:

Re: NPDES Nos. HI0000329 Standard Oil Co. of California
HI0000141 Oahu Sugar Co.

We have reviewed the proposed drafts of the above referenced NPDES Permits which you propose to issue to Standard Oil Company of California and to Oahu Sugar Company, pursuant to Section 402 of the Federal Water Pollution Control Act and implementing regulations.

We find the terms and conditions of the proposed permits are within the guidelines and requirements of the Act and we approve issuance of these permits as proposed.

Should it become necessary on the basis of information presented at the public hearing to make any revisions in the modified draft permits which we have approved, the revised permits may not be issued as NPDES permits without approval by the Environmental Protection Agency.

Sincerely,

15/
